### Ski-Doo 2003 | American Snowmobiler Magazine

Final word Ski-Doo isn't messing around with its 2003 lineup. A new chassis or a new engine would have gotten the company by for another year. But instead, it's bringing on the heat with high output engines, clean-running engines and a completely new chassis. Be sure to stop by one of the Ski-Doo spring tour shows and see the mall for yourself.
