[Sample Contractor Warranty Forms - 7+ Free Documents In ...](#)

Subcontractor Warranty Forms are used by contractors whenever they need a warrant on any services and materials that they asked from a subcontractor that they hire. A contractor may need professional help on certain services that they themselves can't handle, so they hire a subcontractor to do it for them.

**CONTRACTOR**

Often, even if the warranty clause in the general conditions is clear, there is conflicting language in the front end of a project manual prepared by a designer. Contractors should pay more attention to the exact words used in their contracts. They may be surprised to find that their warranty obligations are not as great as they thought.
