I have the 5th edition. Very insightful book gives tips on how to work on our weaknesses & play to our strengths while at the same time not become overbearing and monotone in our talents. A must read for anyone working in a team environment or those with careers in today's corporate America or middle-management.

FYI: For Your Improvement - For Learners, Managers ...

Description of each competency includes a reading list, for further exploration, so this book can be the best system for one's ongoing self-education (i.e., your peers tell you where you need to grow through a 360, this book tells in a very concise form how to improve there, and gives a reading list for that specific area as well).
