[ISO/IEC 17065 in Detail](#). Let's move on from the individual Certification Schemes (as there are many in the world, and each is unique to its own interests) to the contents of the ISO/IEC 17065 standard itself so that readers can understand the requirements with which CBs abide. ISO has begun harmonizing the general layout of its international standards and is moving towards an 8-section layout with which future standards (new documents as well as revisions to current standards) will align.
