Plastic pipe and cement | Screwfix Community Forum  
Hello all I've just sorted out some leaking copper rad pipes that had corroded from the cement backfill used around and over them. I have repalced the two runs with Polyplumb 15mm pipe and was wondering whether it is ok to backfill with quick set cement over the run - I am assuming plastic will not be corroded by cement.

#### Plastic Pipes Inside Buildings 2018 - Home

Thank you also for the very flattering feedback! Please scroll down to see interesting images, feedback and statistics about the conference. We are already working on Plastic Pipes Inside Buildings 2019.
