Technical Communication (13th edition) - PDF Book  
Designed in response to these issues, Technical  
Communication, Thirteenth Edition, addresses a wide  
range of interests for classes in which students from a  
variety of majors are enrolled. The text explains,  
illustrates, and applies rhetorical accountability, exercises  
incorporate the problem-solving demands typical in  
college and on the job. Self-contained chapters allow for  
various course plans and customized assignments.  
Lannon & Gurak, Technical Communication | Pearson  
1) Complete coverage for any course in technical  
communication, business communication, or professional  
writing. The topics move from basic foundational  
concepts, to chapters on research, visuals, style, document  
design, and usability, and finally to specific documents  
(which are cumulatively organized from basic workplace  
correspondence to more complex documents, technologies,  
and oral presentations).
