Dr Irvin Yalom Explains The Evolution of Therapy

I would have thought the major problem with Talkspace is that they would not be focusing on the here and now, what was happening between the therapist and patient, and yet compared with many of the new movements in psychotherapy with cognitive behavioral therapy they are far more involved in the nature, at least the way it s done in this outfit. They re far more interested, and nurturing of the here and now, and with patient relationship, so that s been a change of heart for me entirely.
