The Prince is a vertical application windlass perfect for boats with limited deck space. This unit is sold complete with the windlass, solenoid unit, clutch handle and mounting hardware.

Which manual vertical windlass? - YBW

I would like to fit a vertical anchor windlass to my boat and prefer a manual windlass - I appreciate that electric windlasses are (relatively) not all that expensive these days, but i just like the simplicity of a manual windlass and no power consumption issues, and (at the moment) am happy to endure the free gym work out in a strong wind / tide!
