Cooking Grates | Weber Grills

These work better than the ceramic one that originally came with grill. I love cooking on these. Thank you Weber for keeping parts in stock to repair my grill. This company is a true class act. Well worth the asking price because it's last so long. Oh by the way I use my grill at the minimum of 2 times a week all year long.

I've had my Weber Genesis Silver grill for about 20 years and I've always been able to get original parts from the Weber web site. I expect the cooking grates to last about 10 years with regular year round use (I keep my grill covered on my deck). I did learn from the Weber web site and in the installation instructions that I've been installing the grates up-side-down all these years, great information.
